PROCEDURES

1. Submit complete request along with copies of all conference materials to the Superintendent for approval.
2. All travel arrangements will need to be made by the participant.
3. Purchase orders should be used whenever possible for conference fees & lodging.
4. When reserving air fares & lodging, you will need to request a faxed copy of the confirmation that includes pricing. As soon as that is received, you can submit a Reimbursement form to the Business Office to start the processing of your reimbursement. This will allow time to get the reimbursement before interest is accrued upon your account.
5. A copy of the Conference Attendance Request is used to request reimbursement after travel or to submit with district refund. Receipts must always accompany requests for reimbursement.
