

PRINCIPAL'S MESSAGE

Dear Families,

The staff at Bella Vista Elementary School is committed to excellence in education. One way Bella Vista Elementary stands out among other elementary schools is our effective use of technology that is evident in every classroom. From our youngest transitional kindergarteners to our middle school students, technology is utilized to engage learners (LCAP Goal #2) and personalize instruction.

Since 2011, iPads have been available for each student in grades 2-8. In 2016 the purchase of additional iPads made it possible to include kindergarten through second grade with 1:1 devices. In addition to iPads, during the fall of 2017 we added 60 chromebooks to our middle school. The focus on technology remains a vital part of Bella Vista's learning environment.

As we prepare students to be successful in a college preparatory curriculum in high school (LCAP Goal #1) and eventually for a successful career, we are mindful of the role technology plays in higher education and the work force. Our students leave Bella Vista not only with a better education due to improved learning opportunities, but also with experience on how to use technology to complete tasks and projects. This comfort with technology will be a strong asset in their future endeavors.

In closing, I'd like to thank you for your continued support of our students, teachers, and school as we collectively strive to provide optimal opportunities for learning each and every day. If you have any questions, please do not hesitate to call (549-4415) or email me at barmelino@bveagles.com.

Sincerely,

Bev Armelino

DECEMBER EAGLE OF THE MONTH STUDENTS

Daniel Brown	Uriah Mitchell
Sunny Brown	Destiny Phanachone
Lilly Gist	Tristan Phanachone

Child Find

Bella Vista Elementary School District provides a free and appropriate public education for all children with disabilities in a variety of specially designed programs. Special education and related services are available for persons, ages 3-21 inclusive, who have disabilities in the following areas: autism, deaf-blindness, auditory impairment, intellectual disabilities, multiple disabilities, orthopedic impairment, other health impairment, emotional disability, specific learning disability, speech or language impairment, traumatic brain injury, and visual impairment. Services for students with an auditory or visual impairment may begin at birth. Programs for preschool-aged children with disabilities are also available.

If you are aware of a child who may be eligible for services and is not receiving them, contact the principal of our school or Brooke Maguire, Coordinator of Special Education, Bella Vista Elementary School District, 22661 Old Alturas Road, Bella Vista, CA 96008. Phone: 530-549-4415
