

PRINCIPAL'S MESSAGE

It is hard to believe we are entering the last month of school, and that our year is quickly coming to a close. The old saying must be true; time really does fly when you're having fun!

The students and staff will be very busy this month completing projects, presenting performances, participating in track, as well as preparing to take the California State Assessment. The students at Bella Vista in grades 3rd-8th will take the state assessments over four days. The English Language Arts test will be administered May 1 and 2, Mathematics May 8 and 9. The fifth and eighth grades will take the Science test May 7. You are a vital partner in the testing process and can help your child by:

- Encouraging your child to take their time and do their best.
- Speak about the test as being a challenging opportunity to "show" what you know.
- Making sure your child gets plenty of sleep.
- Making sure that your child is on time for school.

I continue to be very proud of how hard the staff and students have worked this year, and I am looking forward to seeing all of their effort pay off when the test results arrive. All families will receive a detailed report of their child's performance.

To ensure that all of the gains your child/children have made during the school year are not lost over the summer, please read, read, and read with your child over the summer.

If you have any questions or concerns, please don't hesitate to call (549-4415) or email me at barmelino@bveagles.com.

Ms. Beverlee Armelino

Ready For 7th Grade?

You'll need proof of a whooping cough shot

ShotsForSchool.org

2018-19 IMMUNIZATION REMINDER

A new State law requires that

ALL incoming

7th graders get a Whooping Cough booster shot, called Tdap, before entering school.

Contact your child's doctor **now** to schedule an appointment! Some children may qualify for free immunizations through the Vaccines for Children Program. For more information, please visit

www.shastahhsa.net.
