

PRINCIPAL'S MESSAGE

October is Bullying Prevention Month. At Bella Vista, our goal is to help students develop a positive self worth by experiencing success in acquiring academic and social competencies. Respect for self and others instills a sense of pride throughout the school and helps secure our family atmosphere. There is no place for bullying on our campus.

The staff and students at Bella Vista School are committed to modeling respect for self, respect for others, and taking responsibility for all our actions (Core Value #5). We continue to embrace the ideals behind Capturing Kids' Hearts to provide an emotionally safe and engaging learning environment. Every classroom has built a Social Contract, is using the Time-Out signal, and is starting the day with the EXCEL Model, and ending the day with LAUNCH. At Bella Vista we are committed to providing opportunities for our students to show respect for themselves and others.

In addition to Capturing Kids' Hearts, Bella Vista is a Positive Behavior Intervention Support School. Please ask your child about our three school rules; 1. Be Safe 2. Be Respectful 3. Be Responsible. Our staff has been trained in Active Supervision and strives to maintain a quality environment and safe school facility (Core Value #6).

I am very proud to be a member of a school community where the Core Values drive the decisions we make and guide the way we interact with students. I am honored to be a part of your children's lives. If you have any questions or concerns, please don't hesitate to call (549-4415) or email me at barmelino@bveagles.com

Sincerely,

Ms. Beverlee Armelino

Nurse News...

Monthly Health Information for your Family

Cold and flu season is right around the corner and I want to take a minute to talk about the importance of attendance. It is no secret that attendance is linked directly with success. If a student is at school, they are much more likely to succeed! As a nurse, I want to ensure students are healthy enough to come to school. The number one way to prevent infection is to WASH YOUR HANDS! Thorough hand washing can prevent the spread of almost any illness. If your child does come down with a little cold, they can still attend school. Keep children with fevers or excessive coughs at home. I encourage everyone to get a flu shot. I have a handy cheat sheet that directs guardians on when to keep children at home or send them to school. Pick one up in the office! As always, if you need anything, never hesitate to contact me.

Kelly Pagan, Credentialed School Nurse

Child Find

Bella Vista Elementary School District provides for a free and appropriate public education for all children with disabilities in a variety of specially designed programs. Special education and related services are available for persons, ages 3-21 inclusive, who have disabilities in the following areas: autism, deaf-blindness, auditory impairment, intellectual disabilities, multiple disabilities, orthopedic impairment, other health impairment, emotional disability, specific learning disability, speech or language impairment, traumatic brain injury, and visual impairment. Services for students with an auditory or visual impairment may begin at birth. Programs for preschool-aged children with disabilities are also available.

If you are aware of a child who may be eligible for services and is not receiving them, contact the principal of your school or Brooke Maguire, Coordinator of Special Education, Bella Vista Elementary School District, 22661 Old Alturas Road, Bella Vista, CA 96008. Phone: 530-549-4415

**Congratulations Fall Student Body Officers...
