

PRINCIPAL'S MESSAGE

It looks like fall weather might be right around the corner, there's a chill in the morning air, and leaves are starting to change colors and fall to the ground. This is a perfect time to reflect on the many positive things happening at our beautiful school.

The staff and students at Bella Vista School are committed to modeling respect for self, respect for others, and taking responsibility for all our actions (Core Value #5). We continue to embrace the ideals behind Capturing Kids' Hearts to provide an emotionally safe and engaging learning environment. Every classroom has built a Social Contract, is using the Time-Out signal, and is starting the day with the EXCEL Model, and ending the day with LAUNCH. At Bella Vista we are committed to providing opportunities for our students to show respect for themselves and others.

In addition to Capturing Kids' Hearts, Bella Vista is a Positive Behavior Intervention Support School. Please ask your child about our three school rules; 1. Be Safe 2. Be Respectful 3. Be Responsible. Our staff has been trained in Active Supervision and strives to maintain a quality environment and safe school facility (Core Value #6).

In an effort to keep our children safe, please stay in your car along the kindergarten loading zone and upper grades loading zone. It causes safety issues when other drivers have to pull around unattended cars. If you plan to walk your child to class or pick them up at their classroom door, please park in a designated parking spot. Thank you in advance for your help!

I am very proud to be a member of a school community where the Core Values drive the decisions we make and guide the way we interact with students. I am honored to be a part of your children's lives. If you have any questions or concerns, please don't hesitate to call (549-4415) or email me at barmelino@bveagles.com.

Sincerely,

Ms. Beverlee Armelino
