

# Bella Vista Bugle

## PRINCIPAL'S MESSAGE

Welcome to Bella Vista Elementary School for the 2018-2019 school year! If you are new to our school, my name is Bev Armelino, and I am honored to be the Principal of this fine school. Along with a staff of dedicated professionals, I look forward to another successful and productive year of learning and student development.

It is with great pleasure that I welcome several new additions to our staff:

- Ethan Walker - Music
- Ashley Breden – RSP/SDC
- Jennifer Daniels – Office Manager
- Louise Nicholson – Office Clerk
- Kelly Pagan – School Nurse

Our goal at Bella Vista School is to help students develop a positive self worth by experiencing success in acquiring academic and social competencies. Respect for self and others instills a sense of pride throughout the school and helps secure our family atmosphere.

Bella Vista School is committed to educating the whole child. Our learning environment provides the perfect balance between outstanding academic programs and extracurricular activities where children's talents, interests, health, and love for learning are fostered and developed. The school's exceptional facilities provide a place for the school community to gather for academic and social festivities.

Bella Vista School is proud of its strong sense of community and parental involvement where everyone works together to create a warm and nurturing environment that inspires each student to grow.

The following Core Values are guiding principles for the Bella Vista School District. These values represent how we want to "live" within our school community. Core values are for children and adults to embrace, internalize, model, and live by. They are an expression of what is deep and enduring in our school system.

- All students can learn and succeed – no excuses, no exceptions!
- We will continually pursue excellence in our students and our staff.
- We will teach grade level curriculum to every child at their ability level every day.
- We will continuously self-evaluate and improve.
- We will model respect for self, respect for others, responsibility for all our actions.
- We will maintain a quality environment and safe school facility.
- We will promote life-long healthy eating and physical activity.
- We are community centered– Everyone's participation is paramount to our success!

Thank you for entrusting us to nurture, encourage, challenge, and enjoy your precious ones as we embark on the 2018-2019 school year. If you have any questions, concerns, or curiosities, please don't hesitate to contact me at 549-4415 or email [barmelino@bveagles.com](mailto:barmelino@bveagles.com). I am truly honored to have the opportunity to serve the students, families and staff at Bella Vista School.

Sincerely,

*Ms. Beverlee Armelino*

**PLEASE HELP KEEP OUR CHILDREN SAFE**

Our staff is here at 7:30 A.M. each day to supervise students on the playground. Please help us keep everyone safe by not bringing students to school before 7:30 A.M.

Thank you!
